

dZ BEAUTY INSTRUMENTS

Introduction

DZ Beauty Instruments stands for customer satisfaction, quality and reliability.

We have been working in this field since 2006 and the experience that has been gained shows clearly in the finesse of our products.

We are serving worldwide and through the feedback from our customers, we are constantly improving our services to meet their needs.

We are manufacturing high quality and sophisticated manicure implements based in Sialkot-Pakistan. Our parent company HAFEEZ IMPEX INTERNATIONAL which was established in 1982. HAFEEZ IMPEX INTERNATIONAL is verified and certified by international standards to design and manufacture all instruments under ISO 9001 quality system and compliance with CE and cGMP requirements.

Before you go through our catalogue, we would like to brief about our products.

- All of our products are made of superior quality stainless steel, Though there have different steel grades i.e 410, 420, 420C, 440 & 440 etc for different products and we are using the best steel according to the required grade.
- All of our instruments are 100% rust free and fully autoclavable/sterilizable and guaranteed.
- For packaging we are using, poly bags, PVC pouch, sliding blister, double blister and heat seal etc.
- For stamping we are using laser marking.
- Here are the available finishing. For colour and powder coating, PMS reference is acceptable.
